Our creative side tells us we love artistic shoots. Stylized imagery that allows for more devious circumstances. Bring out the toys. The big toys, because they look good in the pictures. But also because the ladies love using them. We like watching them and think you do, too.

Lithe and luscious and just a bit of an anal freak, Trinity sure likes a good butt fuck. What guy wouldn't want to oblige this little hottie. What's cool are the different positions she puts her ass in to get it plowed. Whatever position it is, we like it.

LOVE LEZZIES

Like many guys, I love to watch two girls getting it on. There's a turn of factor that's different when a girl licks a nipple than when a guy licks it. Maybe it's the taboo aspect of it. Perhaps it's the red lips on pink nips. Or perhaps it's the imagination that nipple kissing will lead to something more sexual. No matter the reason, please keep those lesbian pictorial cumming.

WOULD YOU LIKE SOME COCK WITH THAT COFFEE?

I'm a junior in college, well, I will be after this summer. I was hanging out at my girlfriend's house waiting for her to get back from a shopping trip to the mall with her BFF. I was hungry so I went to the kitchen to make me a sandwich when I was surprised by her stepmother walking in. It looks like she just woke up because her eyes were sleepy and she was wearing a white tank top undershirt and cotton panties, and she was fucking hot.

She was also a bit surprised to see me too, but quickly recovered and said she was about to make herself a cup of coffee, would I like one? I said I would and stopped. She asked where Ronnie, her stepdaughter and my GF was and I told her she was with Shelly at the mall and said she'd be back about four. We pulled up a couple of the stools and sat at the counter getting to know each other better. I was there at her wedding to Ronnie's dad and we had come to the house a few other times, but this is the first time she and I had talked beyond a few short conversations.

It wasn't long before she turned the talk to me and Ronnie and how I liked fucking her. I was shocked. I stumbled around trying to think of a delicate answer when she stands and comes over behind to me and begins to rub my shoulders. I just sat there. Then her

hands slide down my chest and under the waistband of my shorts. All I could think to say was, "Mrs. Robinson, you're trying to seduce..." and before the word 'me' could come out, she found my cock and squeezed it. As she did, she kissed my neck and turned me around on the stool to face her.

Her hands unbuttoned my pants and told my to stand. I did and she said seductively, "You don't mind, do you?" I mumbled "Yes, I do." but that seemed to fall on deaf ears because she again found my cock and pulled it out. Then I felt her warm mouth encircle the head and I was in la-la land. I stood there, frozen, with my hard cock in the MILF's marvelous mouth and just let her do her thing. Within a few minutes, I couldn't stop myself and came in her mouth. I think she was a little surprised at the short amount of time it took for me, but then she handed me my coffee and seemed okay with it.

TO DREAM – OR NOT

Even though it's summer, tonight is rather cool here in Milwaukee. We get home from the movies and Georgia and I literally run up the stairs to my apartment. As we get inside, she moves close to me to warm herself. I run my hands slowly up and down her back as I softly kiss my way down the side of her neck. She turns her face to me, seeking my lips, eagerly entwining her tongue with mine. We kiss hard for a moment but before I step back and rub my hands over her full breasts. I slowly

feel my way past her boobs and she grabs my wandering hands and presses herself against them.

I put them back on her boobs and squeeze them and tweak her nipples through her shirt and she starts moaning. We kiss again and begin undressing each other. I pull off her shirt and go to work on her bra as she undoes my pants. I step back so I can remove her bra and free boobs. She then drops down to her knees, pulling my jeans and shorts down as she goes. She sticks her tongue out and slowly starts to lick my cock. As it grows harder, she reaches around behind me and pulls me closer, taking my now hard cock into her mouth.

Now it's my turn to moan as she slides her mouth back and forth, teasing me with those luscious lips and long tongue. I put my hands on her head and start rocking my hips in rhythm to her sucks. Looking down I can see her boobs swinging as she moves back and forth. Her hardened nipples rubbing against my legs each time she slides my dick back into her throat.

After several minutes of this ecstasy, I pull her up and then guide her towards the bedroom. As we walk towards the bed, I kick off my shoes and socks and pull off my shirt. I then drop to my knees and begin removing Georgia's pants. They're molded tightly to her body and I peel them off slowly. I then slowly pull down her panties and get my close look at her completely shaven mound. I push her back onto the bed and pull the rest of her clothes off.

I then begin to kiss and lick her hairless pussy and slowly push a finger inside her

already wet hole. Georgia groans and tells me to get into the bed with her. As I stand up, she moves to the middle of the bed to make room for me. I crawl on and began to squeeze and suck on her nipples again. I squeeze her boobs hard as I lightly drag my teeth over her nips. I then begin to flick my tongue over her them as she reaches for my cock and begins to stroke it, bringing a drop of clear liquid to the tip.

Georgia collects the drop with her finger and brings it up to her out-stretched tongue. She licks it off and reaches for my cock again. Georgia grins and tells me she wants me to cum on her boobs first. I move my cock to her lips so she can suck me until I get ready to squirt. As she sucks my cock, I lean over and start to play with her bald pussy. As I push my fingers into her, some of her pussy juice spills onto my hand and I quickly lick the drops from my fingers. I love the taste and Georgia tastes incredible. I then start to work her slit some more and she moans as my hand slides over her clit and then into her sopping wet pussy. I slide my fingers in and out, using my thumb to rub her clit.

This excites her and she starts to work on my dick in earnest. In a few moments I am at the brink of orgasm and tell her I'm ready to cum. She continues to suck until the last moment and as she draws back, the first sticky squirt of cum sprays across face. She licks some of it off of her lips

DIAMOND GIRL

I can't tell you when was the last time that I saw someone as sexy and erotic as Simony Diamond in your last issue. She has a great mix of sultry siren and innocent schoolgirl, but when I saw the pictures and the video of her fucking, she was highly sexual.

She has supermodel looks and a body like that to boot. Her pussy is beautiful, but her ass hole is sublime, taking in that huge cock all the way. I can only imagine ever fucking a girl like that, let alone having one that will take it in her ass for me.

— Blake, Boston

and points my dick at her chest just in time for the rest of to shoot all over them. Several globs hit her nipples and this sends her over the edge and into her own orgasm. We both convulse wildly and then relax as the waves of pleasure subside. Georgia then squeezes the last drop of cum from my dick and lets it drip onto her waiting tongue.

I fall on my side and begin to play with her pussy as I rest. She rubs her fingers in the spunk that's all over her tits and licks some of it off of her fingers before rubbing the rest into her skin. She then rolls onto her side and begins to kiss and lick my softened organ. As she does this, it slowly begins to harden again. She says her pussy is still wet and needs some more sex, so I pull her on top of me and she straddles my cock.

I tease her with my dick by slowly rubbing the head along her slit. I then push just the head of my dick into her pussy and stop for a moment. She looks confused, but I quickly slide my cock the rest of the way in and she takes a quick breath before sighing heavily. I begin to rock back and forth, in and out of her. I go very slow at first but soon she begs for me to fuck her harder. I oblige. Then I grab those huge boobs and squeeze them like puffy pillows. She puts her hands on my chest for leverage and pumps herself up and down on my cock. She leans all the way down and I almost come out, but then she sits back hard on it, impaling herself on my rod.

For several minutes we fuck hard and she moans each time my cock thrusts into her pussy. I then pull out and tell her to roll over so I can fuck her like the animal that she is. She rolls over and getting on her

knees, she waves her waiting ass at me. I move forward and shove my cock into her dripping pussy. While I fuck this horny gal, I squeeze her ass cheeks and rub her back as she buries her face and moans into a pillow.

For several minutes Georgia moans into the pillow until she nears her second cumming. I pull out and push her onto her back again. I tell her I'm going to cum again and that I want to look into her eyes as I do. My strokes are urgent, faster and faster I fuck her. Georgia is now crying out with each stroke. Her boobs flopping wildly on her chest as she reaches up to pinch her nipples and hold her boobs in place. With each thrust I rub up against her clit, pushing her toward orgasm. Then I begin to cum, shooting deep inside her pussy. Georgia's eyes are wild with need as she is driven over the edge and screams that she's cumming. Again we are caught by our own pleasures and nearly every muscle in our bodies contracts tightly before finally releasing and allowing us to relax.

We collapse on the bed in exhaustion. As I lay there catching my breath, Georgia reaches towards her pussy and collects the mixture that seeps from her pussy. She then rubs it on her boobs and moans as she falls back, licking her hands and relaxing. Done. We then cuddle together, falling into a deep sleep.

DIAMONDS ARE A BUTT'S BEST FRIEND

Recently I've been noticing more and more butt plugs in adult pictorials and movies, and I like it. I especially like the ones that are large diamond-like stones because they look so good sticking out of a butt hole. Then the girls is on her back with her legs up, it looks like a big exclamation point with the plug as the dot. I've been trying to convince my GF to try anal, so this may be the way.

RUB YOUR PUSSY AGAINST MINE

get over myself

today was a tough lesson learned

I have been secretly dreaded this day for the month, but it's finally here. It's been a couple years in the making and it's hard to believe that it's actually going to go down. I don't even remember how it first came up, but here it is, today. I'm starting my notes now because I don't expect to pick up a pen (yes, I still use a pen) until tomorrow. My marriage to my longtime girlfriend, Beverley, has seen better days. Oh, we're still friends, but the loving surely has diminished over the years. We've tried a lot of things to try to spice it up, but the one thing we haven't tried is sharing each other with a third person, male or female.

We finally agreed that we'd try it, knowing that it could possibly be the end of our relationship. Having discussed it thoroughly, we decided to plod ahead. Bev would go first, and her choice was a man. Of course I hoped it would be a woman, but she's wanted a new cock for a while now. Mine was the only one she's had for a long, long time. Her choice, and it hurts, was Richard. He was my college roomie and we've stayed friends over the years, often camping and boating with him. He's even told me that he'd jump at the chance to 'bang' her if it ever came up. 'Bang' her? Not the vision I had.

For years he would always tell me how lucky I was to have a woman like her. On occasion she'd make little comments about how handsome Richard was. But anyway, we decided that Richard would come over tonight and see what would happen. Of course, we told him about her wish and he was all for it. I sneered at

the little smirk my friend Richard had on his face when we talked about it. You see, this was strictly for Bev's enjoyment only, I did not want to go through with this, at least not with him.

The doorbell rings and I think about not answering it, but Bev's home and she knows it's him. He also knows we're home expecting him. I open the door and welcome him in. He's looking all around for her as I

take his coat. I tell him she's upstairs, and can I offer him a drink. He said "No, Let's get this thing started." Again, not exactly what I wanted to hear. We went up the stairs and I slowly opened the bedroom door and found her waiting for our arrival. She wore a robe with nothing else underneath but her totally naked body. No sexy garments were needed to get Richard going. By the time he set foot in the room, I could already see his cock bulging under his jeans. She greeted him, by slowly taking off her robe to reveal the beautiful body that I've enjoyed and he's only dreamed about.

With only one foot in the door, Richard stripped his clothes off and threw them on the floor. In the dim light, his muscles flexed and his cock was already standing at attention. Beverley was sitting on the bed and tapped it for him to come over. She swung her feet over the edge and Richard stopped in front of her. She then grabbed his cock and guided it into her mouth. She sucked and she sucked and watching this, I got a serious erection just watching them go at it. She worked his cock down in her throat as Richard grabbed her behind her head and held it as his cock did the dirty work.

Slowly, I undressed watching this unfold a few feet from me and starting playing with myself as she continued sucking him. I couldn't help but to feel a little jealous seeing that Richard's cock was bigger than mine. Bev looked over to me and gestured me to come over and join the fun. I went over to them and stood next to Richard. I looked down and couldn't believe my wife now had two cocks in her mouth. Sucking on them as if she had been doing this for years, she didn't miss a beat with either cock. I tried to push my cock down her throat like Richard and she took it, and it felt so good. One by one, Bev sucked our cocks making us both feel ecstatic pleasure. Then there it happened, for the first time, I saw another person shoot their splooge all over her face.

Well, seeing that, I too began unloading my juices on her face and boobs. Bev seemed to be loving it. She also must have prepared for it because she grabbed a semi-wet towel near the bed and wiped her self clean. Throwing it in the direction of the bathroom, she dropped back onto the bed and spread her legs and began rubbing her bald pussy in invitation and expectation. Richard took a step forward and stuck his still-hard cock inside her pussy. She looked at me as Richard began fucking her and patted the bed again telling me to come over. I got on the bed and crawled up to her face and laid on my side with my cock near her face. She grabbed it and put it in her mouth while Richard steadily pounded her pussy. I felt the heat and passion in her body and her actions. I cannot remember when I last saw her this turned on.

I reached down her body and began rubbing her rather large breast and pouty pink nipples. Richard reached out and began to play with the other one, pulling on her erect nipples making her even more excited. He held her legs open to get deeper penetration. His face began to grimace as he pushed his cock deeper and

deeper into her swollen pussy. Her hands grabbed the bed post as she yelled and screamed for more. I watched as her hands latched onto Richard's ass, with their bodies pounding together non-stop. I'm excited as well as annoyed while Richard fucks her so hard.

Finally slowing down and then stopping, Richard pulls out and grabs her by the hips to roll her over onto her belly. Bev crawls up the bed and puts my cock in her pussy. She leans down on me offering her ass to Richard, who immediately obliges her by grabbing the lube off the nightstand and giving a big squirt down her ass crack. He rubs along it making sure to lube the inside by sticking a finger or two in before shoving his cock into her butt.

I felt his cock enter her anus and put pressure on mine inside her pussy. I admit it did feel like she was tighter and I began to pump harder. Richard found my rhythm and followed along, stroke in stroke out.

Bev raised up a little and I found my mouth sucking on her boobs. Finally, I began enjoying myself as I felt my cock slide comfortably in and out of her wet pussy. Richard came first, and let his load off on her butt cheeks and back, leaving the two of us to continue fucking. We haven't had good sex like this in quiet awhile. With Bev still on top, Richard began spanking on her ass making the action time with my fucking. A look of intensity was on my face as I was determined to fuck her better than Richard. She sat on my dick and began riding my cock while Richard stood beside us and watched. I nibbled on her hard nipples as her boobs smothered my face. Still determined to shine, I once again got on top of her and fucked at a vigorous pace rocking our bed out of position.

Richard held Bev's legs open for me while I plunged my cock inside her like I did when I was younger. I pulled my cock out and watched the cum just blast out from

my cock all over her pussy. Whew, I haven't seen that much cum out in quite a while, even having cum an hour ago. I asked myself where I had been storing all that manly goodness?

I was spent but could tell Richard was now ready for more, and besides, Beverley was still waiting for her climax. Oh yes, she had some small ones along the way, but somehow we knew there was a big one waiting to explode. This time we switched positions and she got on top of Richard sitting on his waiting cock. I let then go at it for a few minutes then got on my knees in front of her and she immediately took my semi-soft, semi-hard cock in her hands. She played around with it and my balls as she rode him. Then she looks at me and mouths the words I love to hear... 'Fuck my ass, baby.'

I got behind her and looked at Richard's cock pumping her love hole. I pulled at my cock to get it as hard as I could and found her butt hole. It had already been loosed by Richard's cock, but now it was waiting for mine. Then, I fucked her rear. Two people, together in unison giving her pleasure beyond her wildest dreams. She looked back at me and gave me a long, slow melting smile. Soon, the three of us, letting out sounds of enjoyment, made me realize how special she really was. What a woman, giving two well hung guys pleasure and taking two cocks at once. Muffled moans and groans from three voices filled the room until Richard yelled out that he was cumming. I stopped to let him climax, and not letting him out do me, I pumped her ass as hard and as long as I could.

Finally, I thought, she's cumming. And sure enough, Bev bucked her hips and pushed them as hard as she could back into me. She tightened her butt hole around my cock as I pushed it in as far as I could and held it there until we both exploded in climactic ecstasy. I col-

lapsed on top of her in a mixed pool of sweat and cum until my shrinking cock plopped out of her butt.

We all propped back on the headboard with Beverley in the middle. I gently rubbed her pussy mound with small strokes to her pussy lips. She had her hands on each of our limp cocks, playing around with them and pinching and rubbing our balls. What a great way to wind down from some intense fucking. Then, almost as if on cue, Richard and I leaned over and kissed her breasts and licked her nipples feeling their stiffness between our lips.

But this night was not over yet as all three of us jumped into the large shower and washed up, with me and Richard both cleaning her beautiful body up and down ever so gently. We let her towel off as I changed the sheets on the bed and we got back on it. Richard and I

took turns licking her pussy and asshole until she came once more. Even though she too licked and sucked out man parts, we just couldn't cum again, having spent it all in the past couple hours. But that didn't matter, we were fine just feeling her warm soft mouth around our cocks until we all finally fell asleep.

The next morning Richard reached across and poked me, not waking Beverley, and motioned he was going to go. I nodded and gave him a big thumbs up. He carefully got out of bed, grabbed his clothes that had remained on the same spot on the floor, and left the bedroom. I heard him getting dressed in the hallway and listened for the front door open and close behind him. Slowly Bev awoke and we snuggled close. We made pillow talk and she confessed that she really enjoyed last night. I told her that I did too. But now, she said that was in the past and, as we agreed, it was my turn. She had already talked to her best friend, Anna, to join our lovemaking trio. Anna told her that she would love to fuck me. I smiled and felt my cock getting hard again.

*They say that 40 is the new 30.
I really don't care. Do you?
Look at me. A year ago I was
selling cheese in Wisconsin with
a hairy bush and a minivan.
Now, I'm an all new person
ready to take on the world.
Say that you're ready for
me and more like me?*

Just as the saying goes: clothes make the man. So why can't I say: boobs make the woman? They sure do in my case, but I have the other good stuff to back them up. When you see my boobs, you see me – full, and full of life. And there's a lot of me in each.
